About me:

I first began my sailing on the Northern Beaches of Sydney Australia at a magical location called Pittwater (Royal Prince Alfred Yacht Club). Once I started I never looked back and progressed through the dinghy ranks and into keel boat sailing. I loved boats and completed my Boat Building/shipwright apprenticeship once I finished school. Adding to my Boat Building experience I progressed into New and Used Boat sales which is where I became involved with the Farr 30 and Farr 40OD. From that moment forward my sailing career expanded. Travelling the world competing at One Design regattas and World Championships amongst my other yachting endeavours.
